17. JJH - Stoertz Luncheon

JJH had lunch with Stoertz on the Patio this noon. The following items were discussed:

25X1 a. SAWRF Coverage - [] told Stoertz that he had looked into the SAWRF coverage problem and saw no problems with it. Stoertz is no longer concerned.

25X1 b. Unidentifieds - The status of the work going on studying unidentified targets was discussed. Stoertz gave JJH a copy of a paper prepared by [] entitled "Quarterly Status Report on Unidentified Targets (Oct-Dec 1969)". IIG was listed as being on the distribution for this report.

16 January 1970

c. Color R&D - JJH told Stoertz of the [] work on Color R&D and the decisions that he had made on how to proceed.

25X1 d. Poppy Project - The Poppy Project was discussed. In connection with this the second briefing for [] was mentioned. Stoertz stated that it was the DDI's desire that both IAS and OER attend the follow-up briefing for [] next Wednesday, 21 January, even if it is something in addition to or other than the Poppy Project. (Later this afternoon [] invited [] IAS, and [] OER, to attend.) [] in talking to [] Staff determined that he was interested primarily in the peaceful uses field.

25X1 e. Five Year Plan - JJH discussed some of the cutbacks that he had made in the NPIC Five Year Plan. Stoertz stated that he did not intend to take exception to the proposal to cut back the mensuration support to IAS since he really did not regard this as as a serious proposal.

f. ACL Trip - JJH told Stoertz of ACL's plan to be on the West Coast next week.

25X1 g. OAK Format - The revised OAK format was discussed. Stoertz gave JJH an Eyes Only memo which had been sent by IAS to the [] CIA Member EXSUBCOM, which commented rather unfavorably on the new format.
